

Lancaster Liederkranz Volunteer Interest & Occupational Experience Form

During the long history of this fine organization, hundreds of volunteers have donated countless hours of their time at our annual fests. Without volunteers, our Club could not exist as we know it. In addition, we may enlist the help of members with specific vocational or occupational experience, such as electrician, plumber, carpentry/construction, food service, etc.

Please Note: Your response to this form does not mean you will automatically be signed-up in any of these areas. Your interest will be added to our volunteer interest database. Area organizers may use this information to contact members if needed. Initially, we rely on members to sign-up at our spring volunteer day, or by contacting area coordinators to offer volunteer help. Look for volunteer contact information each year during fest season in our newsletter, in Club emails, and on the volunteer page of the Club's website.

Annual Fests and Fest Areas of Need:

Sommerfest - 2nd weekend in June

Parrot Fest - 3rd Friday in July

Oktoberfest - 3rd weekend in September

Christkindlmarkt - 2nd Sunday in December
